### *Dedication*

We wish in some way to show our appreciation to you, Mrs. Florence Gardiner, for your understanding and help; so, in gratitude, we, the graduating seniors, dedicate this yearbook to you.

You have served as our librarian since we began junior high school in the seventh grade. During our six years in high school, many students have been helped by the understanding and personal interest extended to them by you.

We will always remember you as a guiding hand to an open world.

## *In Dedication . . .*

We wish to dedicate this page to the patriotic spirits of those members of both the graduating classes who have donned and who will soon put on the uniform of one of our armed services.

*The land was ours before we were the land's.  
She was our land more than a hundred years  
Before we were her people. She was ours  
In Massachusetts, in Virginia,  
But we were England's, still colonials,  
Possessing what we still were unpossessed by,  
Possessed by what we now no more possessed.  
Something we were withholding made us weak  
Until we found out that it was ourselves  
We were withholding from our land of living,  
And forthwith found salvation in surrender.  
Such as we were we gave ourselves outright  
(The deed of gift was many deeds of war)  
To the land vaguely realizing westward,  
But still unstoried, artless, unenhanced,  
Such as she was, such as she would become.*

—“The Gift Outright” by Robert Frost.

#### BOWLING CLUB

The Bowling Club seems to be the most popular activity that the G.A.A. offers. The club meets every Thursday, from 3:30 to 4:30 p. m., at the San Leandro Bowling Alley. At the end of each quarter the club holds a bowling tournament to determine best bowlers.

#### BLOCK S SOCIETY

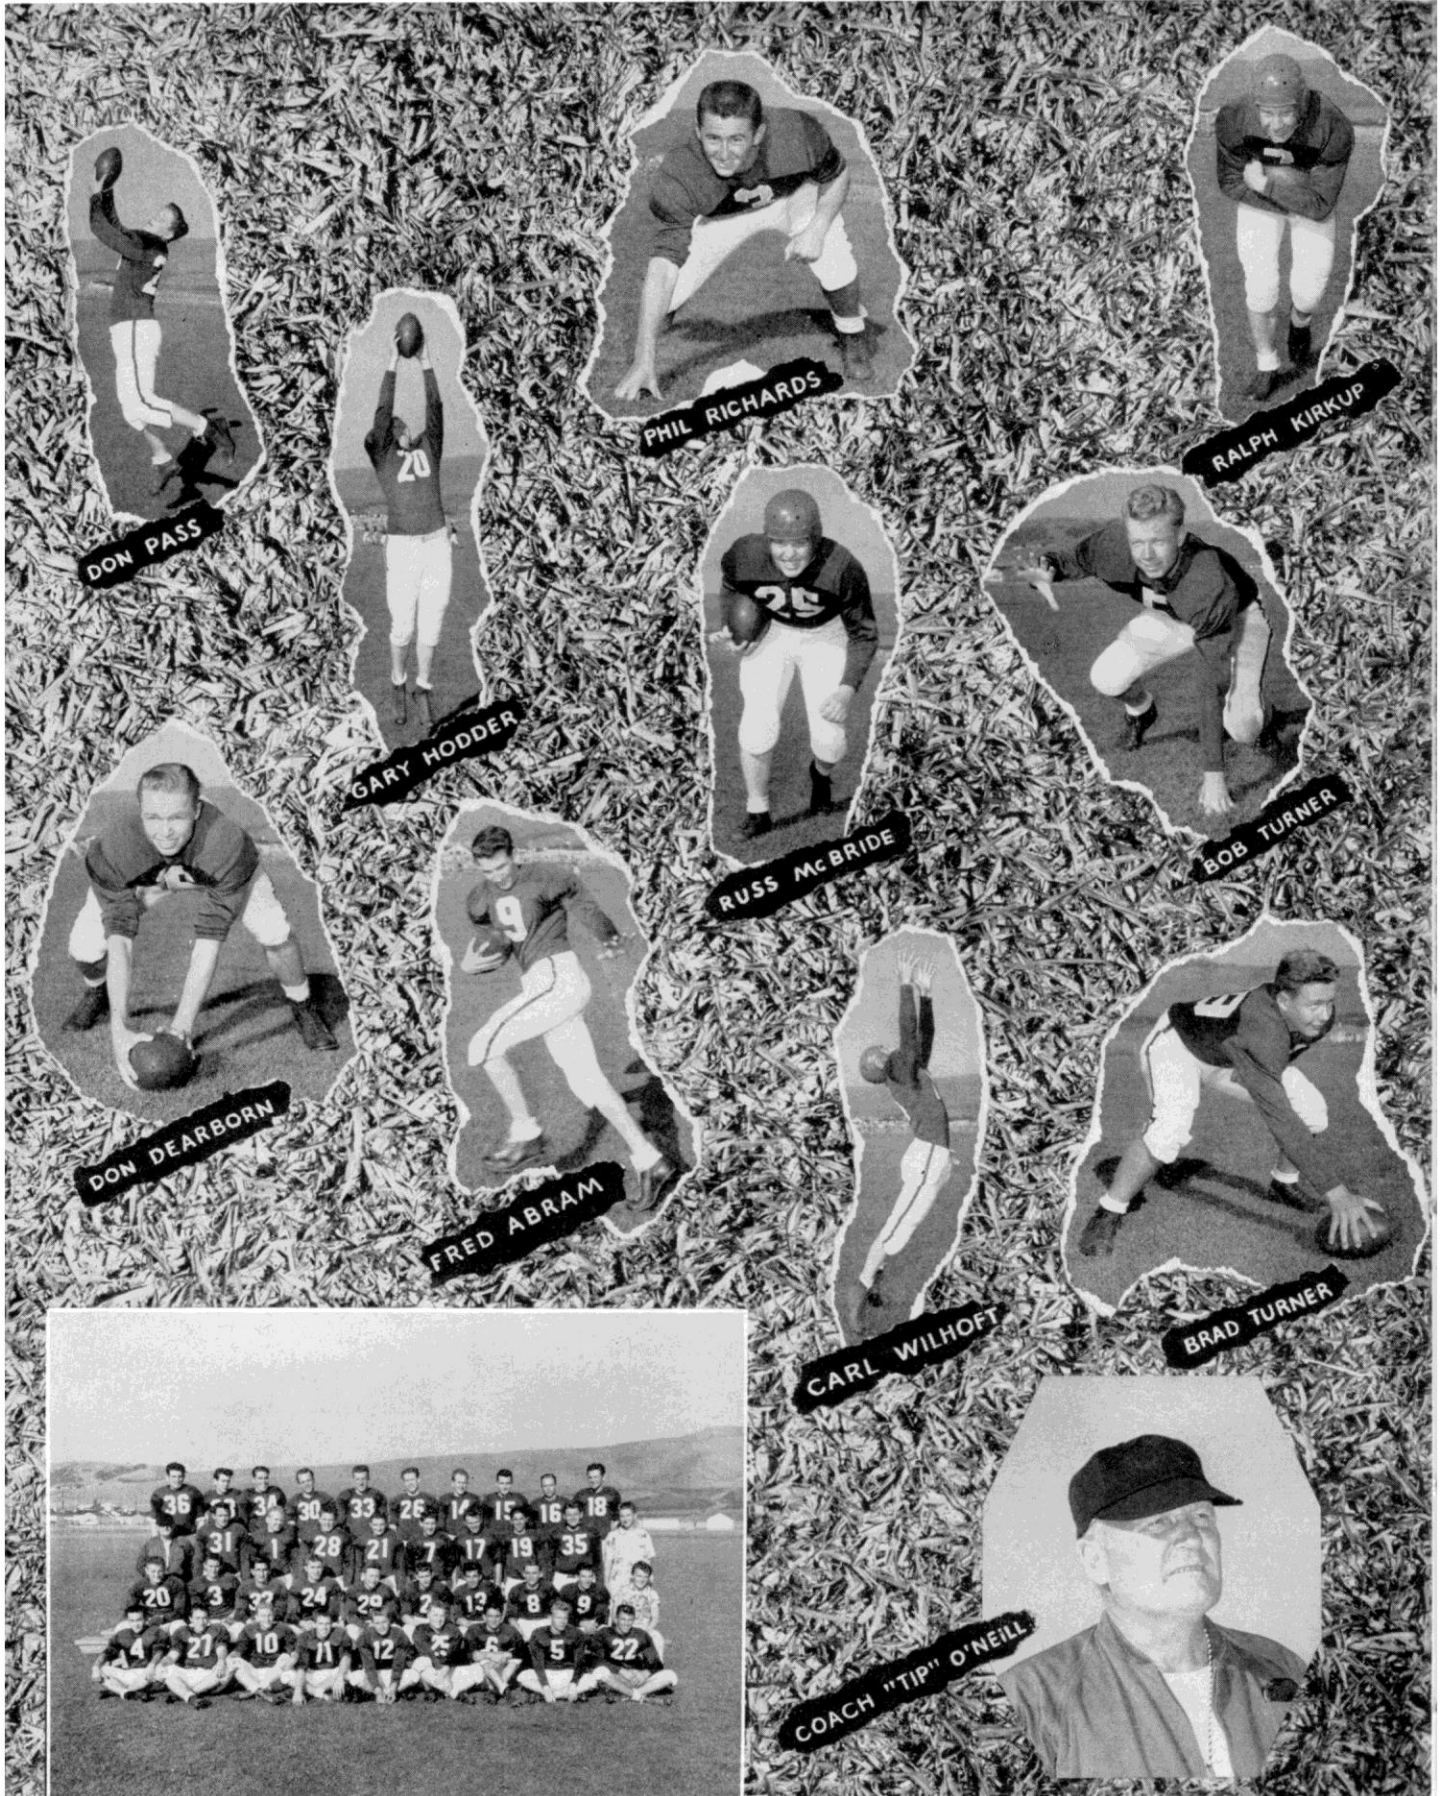

The Block S Society consists of boys who have been outstanding in the major fields of sports. Coach Otis Higgins is the advisor of this organization. The boys in the Block S were instrumental in deciding to stay in the O.A.L.

#### G.A.A.

The Girls' Athletic Association of San Leandro High School has no specified number of members. Modern dancing, the Bowling Club, softball, tennis, and tumbling are all under G.A.A. jurisdiction. To join the G.A.A., a girl has only to participate in her choice of sport after school.

Because of an early deadline, we are not able to print a summary for the track and baseball seasons in this annual; however, one of the highlights of the year was the signing of a contract with the Oakland Acorn Baseball Club by Tom Munoz, a January, '52 graduate. Munoz was sent to Albuquerque.
